

Lecturer in Statistics
School of Mathematics and Statistics
Faculty of Science
Reference No. 114171

The School of Mathematics and Statistics is a large and diverse School with research strengths in many areas of Mathematics and Statistics. The current areas of research in Statistics and Probability within the School are asymptotic approximations and limit theorems, applied probability, non-parametric methods, biological models and time series. The School also has interests in Financial Mathematics and Bioinformatics.

Applications are invited for a Lectureship in Statistics in the School of Mathematics and Statistics. The successful candidate will engage in research and scholarly activities in mathematical statistics, as well as teach a range of courses and play an active role in the administration of the School.

Essential criteria for the position are: a PhD (or equivalent qualification); demonstrated evidence of research ability and potential in an area of Statistics, Probability, or Stochastic Processes; evidence of ability and commitment to excellence in undergraduate teaching; excellent written and verbal communication skills, and ability to work cooperatively with others.

The position is full-time continuing, subject to the completion of a satisfactory probation and/or confirmation period for new appointees. Membership of a University approved superannuation scheme is a condition of employment for new appointees.

Remuneration package: \$83,363 – \$98,993 p.a. (which includes a base salary Lecturer Level B \$70,443 – \$83,651 p.a., leave loading and up to 17% employer's contribution to superannuation).

All applications must be completed online: go to the University of Sydney Positions Vacant website, find Position Reference USYD/114171, and click on the “apply online” button. Applications should address the selection criteria (above) in a cover letter to be uploaded as a separate document, along with their CV, including a list of publications, and names and contact details of three confidential referees.

For further information contact Professor Nalini Joshi, Head, School of Mathematics and Statistics, on (+61 2) 9351 4533, fax (+61 2) 9351 4534 or email: hos@maths.usyd.edu.au.

Closing date for applications: 5 November 2007.

The University is a non-smoking workplace and is committed to the policies and principles of equal employment opportunity and cultural diversity. The University reserves the right not to proceed with any appointment for financial or other reasons.
