Terms and Conditions: Kopystop International Conference Scholarship

The scholarship was established in 2013 with a gift from Kopystop Pty Limited, a local printing business, to enable an outstanding graduate studying towards a research postgraduate degree in the School of Mathematics and Statistics to present their research at a major overseas conference.

The scholarship shall be awarded under the following conditions:

1. The purpose of the scholarship is to assist, by means of supplementary assistance, a research postgraduate student in the School of Mathematics and Statistics to present at a major overseas conference.

2. The scholarship is open to international and domestic students in the School of Mathematics and Statistics enrolled full-time in a research postgraduate degree. Students must have satisfactorily completed an annual progress report after their first full-time year to be eligible for consideration.

3. Subject to the availability of funds, the scholarship will be advertised annually. Applicants are required to submit a written application addressing the selection criteria as well as submitting details of the conference they are planning to attend.

4. The selection criteria for the award of the scholarship shall include:
   (a) demonstrated academic excellence;
   (b) established research direction;
   (c) evidence of high-quality research on which the presentation is to be based.

5. Written applications will be evaluated by a selection committee chaired by the Postgraduate Director, School of Mathematics and Statistics.

6. The value of the scholarship is $1000.
