Note:

(1) Attendance

Students enrolled in courses and units of study under the administration of the Faculty of Science are expected to attend a minimum of 80% of tutorials. Please notify Dr Warren if you are unable to attend a tutorial due to clash with another Summer School subject.

(2) Special Consideration

General policy at www.maths.usyd.edu.au:8000/u/UG/SpecialConsideration.html. Within 7 days of date for which consideration is being sought (for quiz, exam, attendance), application form needs to be submitted at the Summer School Office (Institute Room N228).

(3) Admin enquiries

Summer School office, Institute Room N228, 9351 5542, info@summer.usyd.edu.au
Mathematics and Statistics Student Services Office, Carslaw 520
