Here's some code:

```
> z <- rnorm(100)
```

Here's a graph:

```
> stem(z)
```

The decimal point is at the |

```
-3 | 3  
-2 |  
-1 | 96655322110000  
-0 | 999877766665555554433211111111000  
0 | 0011111222223333444445566777799  
1 | 0012222233466689  
2 | 0046
```
