

Teaching and Learning Seminar Series
School of Mathematics and Statistics,
UNSW.

Session 2, 2009

Alex Davyskib and Atiya Zaidi
Teaching and Learning Seminar
Tuesday 20th October, 3pm, RC-4082

We have two speakers for this seminar:

The first is from our Teaching Fellow. As the year draws to a close we enjoy having our Teaching Fellow talk to us and reflect on time spent here.

The second is from the Director of the Student Support Scheme to keep us up to date with how the SSS has progressed this year- with the new room and the extra funding from the teaching grant.

- **Alex Davyskib. Reflections from the Teaching Fellow.**

About the speaker: Dr Alex Davyskib has been in the School of Mathematics and Statistics as Teaching Fellow for 2009. He comes to us from St Aloysius College, in Milsons Point, Sydney.

- **Atiya Zaidi. The Student Support Scheme in 2009**

About the speaker: Atiya Zaidi is a PhD student in the School of Mathematics and Statistics UNSW and is the Director of the SSS in 2009.

Time: 3pm, Tuesday 20th October
Location: Room Red Centre: RC 4082
